Description

The Akron Group NT Pty Ltd and Akron Indigenous Services (division of Akron) is a Northern Territory owned and operated Company. Established in 1961, the Akron Group NT has evolved and diversified to become the company it is today. Akron Group NT has been involved in government and large scale projects for more than 19 years and has extensive experience in the construction industry.

The Akron Group NT is a one-stop-shop in providing a full comprehensive service from consultation services during project scoping, providing practical solutions that are carried over through to the construction completion phase and hand over stage.

The Akron Group NT's major clients include Department of Housing, Power Water Corporation, City of Darwin, Darwin Port Operations/Landbridge Group, Department of Infrastructure Planning and Logistics, and Defense Housing Australia.

During this time, The Akron Group NT and Akron Indigenous Services have:

- . Delivered products & services to the highest standard.
- . The Akron Group NT has an in depth knowledge of Systems and Procedures in regard to accessing assets and following protocol with permits.
- . Actively contributed to the development and

implementation of better techniques and processes, as well as the introduction of better materials to improve the performance and extend service life of company assets.

The AKRON Group NT is an ISO (ISO-International Organization for Standardization) 'CERTIFIED' company, compliant with;

- ISO 9001:2008 Quality Management System
- AS/NZS 4801:2001 Occupational Health & Safety Management System
- ISO 14001:2004 Environmental Management Systems
- Eco Warranty: 2010 Environmental Management Systems

The Akron Group NT specialises in the following services:

- . Building Construction
 - Electrical
 - Plumbing
 - Civil Construction & Demolition
