SEAM provide services from conception to commission.

Summary

Based in the Barossa Valley, South Australia, SEAM specialises in engineering, manufacturing, installation and maintenance of industrial and commercial machinery and infrastructure Australia wide. Design and drafting services, small to large stainless tanks for wine, olive, food, beverage and chemical industries.

Fabrication of stainless, aluminium and black steels, OHS

solutions, safety guarding, catwalk, platforms and stairs. Sheetmetal work, tube/pipe welding and installation, refrigeration pipe work. Plumbing of copper and plastics. Structural steel fabrication and installation. Welding to food and pharmaceutical grade standards, stainless benches and commercial kitchens.

Description

SEAM provide services from conception to commission. At SEAM we have specialized staff providing diverse capabilities in drafting, metal fabrication, fitters and maintenance fitters. Our services range from metal fabrication, welding, tank manufacturing, installation and maintenance of stainless/black pipe work, stainless

fabricated fittings and component supplies, installations and maintenance. Refrigeration pipe work, fluid transfer lines and industrial machinery. Walkways, stairways, hand railing and platforms. General fabrication engineering. Design, manufacture and installations of commercial kitchens.

Industries Served

- > Manufacturing
- > Construction & Engineering
- > Steel
- > Oil, Gas & Energy
- > Water

Major Clients

- > Samuel Smith & Sons Pty Ltd
- > Barossa Valley Estate
- > Rocland Wines Pty Ltd
- > D'arenberg
- > IVIVI Pty Ltd
- > Accolade Wines
- > Lambert Estate
- > Treasury Wine Estates

Products & Services

- > Metal Fabrication, fittings and components.
- > Tube and pipe fluid transfer systems.
- > Industrial and mechanical plumbing
- > Tank manufacturing
- > Structural steel and industrial infrastructure, Machinery installation and maintenance.

Facilities

- > Manufacturing Workshop
- > Onsite facilities
