

# Capability Statement

23 Mar 2018

## PRESENT GROUP

### INDUSTRIES SERVED

CLEAN ENERGY

CONSTRUCTION &  
ENGINEERING

DEFENCE

MINING

OIL, GAS & ENERGY

PROFESSIONAL  
SERVICES

RAIL

RETAIL, TRADE AND  
OTHER SERVICES

WATER

## Company Details

**Address:** Unit 6, 8 Hasler Road  
OSBORNE PARK WA, 6017 Australia

---

**Ph:** +61 8 9244 4477

---

**Fax:** +61 8 9244 4478

---

**Email:** info@presentgroup.com.au

---

**Web:** www.presentgroup.com.au

---

**ICN Gateway Company ID:** 75697

---

**Employees:** 120

---

**ABN:** 16 081 990 052

---

**Locations:** 5

---

**Local Manufacturer:** No

---

**Foreign Manufacturer:** No

---

**Importer:** No

---

**Exporter:** Yes

---

**NT CAL Accredited:** Yes

---

**Works in Remote Locations:** Yes

---

**Australian Indigenous Owned:** No

---

Present Group is strategically located both nationally and internationally to support our ever-expanding client base.

---

## Summary

Present Group assists owners, operators, consultants, constructors and vendors by combining our collective key skills and experience to achieve complete potential through an asset's entire life cycle.

Present Group is strategically located both nationally and internationally to support our ever-expanding client base. Our promise is to provide excellence and innovative

solutions as a trusted partner who exceeds our clients' expectations in an open, transparent and ethical manner. We offer a range of specialist services including engineering, testing, commissioning, operations and maintenance, shutdown services, test equipment hire and management, supply chain, and calibration services.

---

## Description

Present Group is strategically located both nationally and internationally to support our ever-expanding client base. Our promise is to provide excellence and innovative solutions as a trusted partner who exceeds our clients' expectations in an open, transparent and ethical manner. We offer a range of specialist services including engineering, testing, commissioning, operations and maintenance, shutdown services, test equipment hire, supply chain and

calibration services.

With a client base comprising many of the world's largest blue-chip companies, and a project portfolio that includes mining and minerals, oil and gas, energy and utilities, power stations, refineries, renewable energy, ports, rail, marine and defence; Present Group's collective experience is without parallel.

## Associations

- > Mining and Equipment Services Council of Australia (MESCA)

---

## Products & Services

- > Electrical engineering protection studies, arc flash studies, earthing studies and detailed design.
- > Specialist electrical services: Condiion Monitoring, Transformers, Motors, Cables, Protection, Switchgear, SF6, Earthing.
- > Provision of Electrical, Inlec, EEHA technical shutdown labour.
- > Operation and maintenance of HV networks and instrumentation installations.
- > Calibration - NATA: Electrical, Pressure, Temperature, Dimensional, Torque, PPE.
- > Test Equipment rental (hire), sales asset management and supply chain.

---

## Accreditations

- > ISO9001
- > AS-NZS 4801

## Industries Served

- > Clean Energy
- > Construction & Engineering
- > Defence
- > Mining
- > Oil, Gas & Energy
- > Professional Services
- > Rail
- > Retail, Trade and Other Services
- > Water

---

## Facilities

- > Calibrations Lab
- > Offices
- > Test Equipment
- > Workshop Facilities

## Major Clients

- > ABB
- > ALS Global
- > Australia Pacific LNG
- > Apache
- > APLNG
- > Bechtel
- > BHP Billiton
- > BP
- > Caltex
- > Chevron
- > Clarke Energy
- > Conoco Phillips
- > Coates Hire
- > CPB
- > CS Energy
- > Downer Group
- > Dyno Nobel
- > Energex
- > Fortescue Metals Group
- > General Electric
- > Granite
- > Iluka
- > Incitec Pivot Limited
- > Monadelphous
- > Origin Energy
- > Perth Transport Authority
- > PTTEP
- > QGC
- > Quadrant
- > Rio Tinto
- > Santos
- > Shell Australia
- > Siemens
- > Territory Generation
- > Thiess
- > UGL
- > Western Power
- > WICET
- > Woodside Energy
- > Wood Group PSN
- > Worley Parsons

## Previous Significant Projects

2016

**APLNG Electrical & Instrumentation  
Maintenance Contract  
\$20,000,000**

**Client: Origin Energy**

Present Group are supplying all Electrical, Instrumentation & High Voltage maintenance support for Origin & APLNGs upstream assets. Personnel supplied are embedded and working along side Origins team

---

2015

**GLNG High Voltage Maintenance  
\$2,000,000**

**Client: Santos**

High Voltage maintenance for Santos midstream HV network

- Provision of High Voltage Testing and Compliance Services
  - Provision of professional advice and guidance on Preventative, Predictive and Corrective maintenance activities and strategies
  - Provision of technical expertise for performing assessments of the power system. Including load flow analysis, fault level calculations, protection coordination studies and system modelling
- 

2015

**Thiess QGC High Voltage Commissioning  
\$20,000,000**

**Client: Thiess**

Present group supplied high voltage commissioning resources to Thiess for the QGC upstream commissioning scope. Services included all FCS & CPP substation commissioning as well as High Voltage Operations support for commissioning activities.

2015

**APLNG High Voltage Testing and Maintenance  
Midstream  
\$2,000,000**

**Client: Conoco Phillips**

High Voltage maintenance for Conoco Phillips midstream HV network

- Provision of scheduled and ad-hoc electrical testing support for HV protection systems
  - Preventative Earthing systems testing and studies
  - High Voltage network auditing and compliance
- 

2015

**GLNG Midstream High Voltage Commissioning  
\$30,000,000**

**Client: Bechtel**

Complete commissioning management and execution of the entire HV Power Infrastructure for the GLNG project downstream assets.

- HV Electrical Asset testing and energisation
  - Relay Protection setting and injection testing
  - Punchlist and rectification works
  - Onshore Temporary Power Control System testing and commissioning
  - Control System Punchlist and rectification works
- 

2014

**APLNG Upstream Commissioning  
\$30,000,000**

**Client: Origin Energy**

Present Group has supplied Commissioning resources for the Upstream phase of APLNG. Services supplied are high Voltage commissioning resources, Electrical, Instrumentation, Mechanical and engineers of all disciplines. Present Groups team has been embedded within the Origin team for this scope of work.

2013

**QGC High Voltage Maintenance LTSA  
\$20,000,000**

**Client: QGC**

Present Group manage & carry out maintenance services for QGCs entire high voltage assets. Contract includes permanent engineering staff, maintenance technicians, operations technicians, test equipment, vehicle, maintenance facilities & emergency response. This is a 5 year contract

2011

**NRB Commissioning Personnel and Materials Agreement  
\$20,000,000**

**Client: Woodside Energy Ltd**

Provision of Electrical, Instrument & Controls and Mechanical commissioning personnel to work as part of client Integrated commissioning team. Personnel completing work on control systems, Fire & Gas, safety systems, rotating equipment, field instrumentation, LV and HV Power distribution systems, offshore utility systems, hydrocarbon systems, and hydrocarbon startup.

2011

**Commissioning of the Sino Iron 450MW  
Combine Cycle Power Station for Iron Ore  
Project  
\$30,000,000**

**Client: Citic Pacific Mining**

7 x Siemens Gas Turbines

6 x HRSGs

Team of 77 which ranged from Site Administration, Document Control, DCS Engineers, Operators, Permit to Work, Health Safety, HV Engineers, E&I Technicians, Draftsmen, Completions Team, Commissioning Managers etc.

Integration of Present Group Team with Multinational Organisation (Citic Pacific).
